BOARD MEETING 1-22-19 MINUTES APPROVED

STAFF REPORTS:

Executive Director: Daisy Porter-Reynolds reported West Branch and Santori went on soft lockdown Friday, February 15 during the active shooter tragedy at Henry Pratt Company. It should be noted that the library did participate in active shooter training in February and March 2018. We are sending out refresher videos via email to all staff for their review. During the recent polar vortex, we were closed all day on January 30 and until noon on January 31. Santori remained opened as a warming center staffed by managers and offering limited services, and West Branch was open offering full services. Eola Road Branch was closed due to an HVAC failure. Tonight is Daisy Porter-Reynold’s last board meeting and she expressed that it was an honor to work with the board and staff.
Foundation: Laura Stoney announced that a Marie Wilkinson Family event would be held July 13, 2019. Sheila Wilkinson, Marie’s daughter, will attend along with Sheila’s niece. The Foundation continues to work on annual giving efforts as well as 2019 events.

Facilities: Kathleen Fennell advised there were two weather related issues at Eola Road Branch this past month. The heat was out on the computer lab side of the building and a frozen water pipe burst in the children’s story time room. Both have been repaired. Due to the extreme cold, the Bookmobile was off road the last week in January. At West Branch, an air handler failed and was replaced. We received a refund check from ComEd for Phase 2 of the retrofit lighting efficiency project at Eola Road Branch.

PUBLIC COMMENTS: One community speaker addressed the Board regarding his library concerns.

PAYMENT OF BILLS 1-23-19 TO 2-20-19 APPROVED

Questions on Bills:

Lynda.com - Is a database of online training courses. We had 12,500 active users in the past year.

First Communication Internet charges - This is part of our dual internet charges from two separate companies. One serves as a backup in the event of an outage.

Executive Director Hiring Process – There was no discussion.

Minimum-Wage Bill and Budget Impact – Brenda Blough, HR Manager, advised that Governor Pritzker signed into law the Minimum Wage Bill, which will raise the Illinois minimum wage to $15 by 2025. This will have little impact on the library as we are far enough ahead of the minimum in almost all cases.

Community Meetings and Surveys – Trustee Jeffry Butler and Miriam Meza, Communications Manager, presented an overview of the input collected from West Branch in our Engage to Change: Stage 1. The presentation explained the purpose and the results of the community meetings and survey. Recurring themes included location,
hours, programming, and trust. A focus group of community, board, and staff has been convened and is working to help staff formulate community priorities. The presentation will be available on the library’s website.

**Financial controls** – Michaela Haberkern and Kathleen Fennell reviewed for the Board the library’s financial controls in regards to purchasing, reassuring the board that sound financial practices and controls are in place.

**Circulation Policy** – Michaela Haberkern advised that an adjustment be made the nonresident card section of the policy in order to comply with new legislation.

Andrew Smith moved, seconded by Dee Basile, to approve the Circulation Policy as presented. 
Motion Carried.

**CIRCULATION POLICY APPROVED AS PRESENTED**
