

**APPLICATION
FOR
HOMEBOUND SERVICE**

A free home delivery service of library materials is available to those who reside inside the city limits of Aurora and who are unable to come to the Library or to the Bookmobile. If you or members of your family are confined by an illness, injury, or physical handicap for a period of at least six weeks, you are eligible for this service.

Materials will be selected to match your interests. Monthly deliveries will be made by volunteers or by an Outreach Services Department staff member.

If you do not have a current Aurora Public Library card, an application can be brought upon the initial visit. Your library card will be held at the Outreach Services Department while you are using the service.

Please call the Outreach Services Department at 723-2705 and ask about our **Homebound Service**.
