Homebound Delivery Service

Aurora
Public
Library

Are you unable to come to the library?

Let the library come to you!

A FREE home delivery service of library materials is available to those who reside inside the city limits of Aurora and who are unable to come to the library or the Bookmobile. If you (or a family member) are confined by an illness, injury or physical handicap for a period of at least six weeks, you are eligible for this service, available from the Aurora Public Library's Outreach Services Department.

Materials will be selected to match your interests. Deliveries will be made monthly by Outreach Services Department staff. Special requests can be made for books and audiobooks. No overdue fines are incurred.

If you do not have a current Aurora Public Library card, an application can be brought to the initial visit.

Interested?

Call the Outreach Services Department at 630-723-2705 and ask about Homebound Service or return the form at right.
